9.5"W x 15"H x 2"D

Outlet Box (single outlet):  
6"W x 8"H x 2"D

## STONE VENEER + INSTALLATION

StoneWorks is builders' one source solution for manufactured stone veneer, installed. From pre-construction and product selection to delivery and installation, StoneWorks turnkey philosophy ensures that builders receive the total stone experience with only one point of contact from start to finish.

That means we also take care of all the steps in between. Trade professionals benefit from a vast product offering, fully coordinated installation services, a dedicated project manager on site, field support to improve communication and tested safety programs to reduce risks. Now that's turnkey.

CONCRETE  
MASONRY &  
HARDSCAPES  
ASSOCIATION

Because StoneWorks manufactured stone veneer replicates natural stone, inconsistencies in color and texture can be expected. Every effort has been made to ensure the stone colors on our printed and online materials are as close to the actual stone veneer as possible. However, photography, printing, and viewing conditions may alter perception of color. Consult your sales representative for product samples. StoneWorks reserves the right to alter, modify, or delete items from time to time without notice. While every reasonable effort has been done to ensure the accuracy of the photographs, the photos are intended only as a simple, general illustration of product available and should not be considered as a definitive guide or representation of the actual product. Contact StoneWorks for hard samples, spec clarifications and/or product updates.
