

National Stone PRODUCT GUIDE

Beautiful Stone Veneer, Installed.

STONeworks®

ONE Point-of-Contact. ONE Nationwide Team. ONE BEAUTIFUL RESULT.

StoneWorks is the only national brand of manufactured stone veneer that offers both product with timeliness character alongside full installation services. From pre-construction and manufacturing to delivery and installation, you can see why our stone solution fits your needs so well. From the first call to the final result, see how we deliver the total stone experience.

OUR DIFFERENCE. A TOTAL TURNKEY SOLUTION.

From start to finish, your vision is realized with StoneWorks' one source solution.

We make it.

At one of Cornerstone Building Brands many manufacturing facilities across the country, our team of highly skilled artisans make beautiful, natural looking stone veneer with timeless character in today's designs.

We install it.

Once the stone is selected, we'll schedule the masons, the delivery and of course, the installation. Now that's turnkey.

We guarantee it.

Our stone is manufactured to such high standards we guarantee it for 50 years. So you not only get a great product, you also receive a whole lot of peace of mind.

BUILDERS GET THE WORKS

With one point of contact, builders benefit from a dedicated project manager on site, field support to improve communication and tested safety programs to reduce risks. From the first call to the final result, every stage is completely organized.

COAST TO COAST INSTALLATION

Our strong national footprint means more convenience for our customers. With 30+ installation hubs and multiple manufacturing facilities located all across the country, StoneWorks is here for you. Wherever you are.

STEP 1: **Estimating**

Project kick-off has begun. Pre-construction work is completed, estimating is done and stone selections are confirmed.

STEP 2: **Scheduling**

Scheduling is established, labor is organized and safety & delivery regimens are finalized. Our entire customer support team is on it.

STEP 3: **Installation**

Shipment has arrived and our qualified masons are on the job. A dedicated project manager oversees the installation.

EXPERT INSTALLATION SERVICES

StoneWorks is the only national manufactured stone veneer brand to offer stone plus installation. All in one.

ONE POINT OF RESPONSIBILITY

Our turnkey solution is based on a simple premise: beautiful stone veneer, installed. That means we also take care of all the steps in between, with just one point of contact for our customers. If there's an issue, we'll fix it. If there's a problem, we'll solve it. That's a big benefit – and a huge relief – for you.

SAFETY IN EVERYTHING

When you've been in business for over 40 years, you understand how important safety is on the job. On every job. That's why we make safety our number one priority. From manufacturing facilities and installation hubs to our delivery vehicles and the job site, our policy is to ensure a safe, healthy workplace for the well-being of all.
